40 % of TCHS/EHS parents are in the workforce

Unemployment Rate

### ASSET BUILDING

Family asset building focuses on educating families about financial opportunities that may help them increase and sustain economic security.

## CHRONIC ABSENTEEISM

Chronic absence means missing 10 percent or more of school days due to absence for any reason—excused, unexcused absences and suspensions. These absences can translate into third-graders unable to master reading, sixth-graders failing subjects and ninth-graders dropping out of high school.

### FOOD INSECURITY

Food insecurity is inconsistent access to enough food for a healthy lifestyle due to a lack of financial resources.

#### I E P

The Individual Education Plan (IEP) is a written plan stating reasonable learning goals for a child 3 years and older with a diagnosed disability and to state the services that the school district will provide to the child.

#### **IFSP**

The Individual Family Service Plan (IFSP) is a written treatment plan that maps out the early intervention services that child under the age of 3 years and their family will receive.

#### PIT COUNT

Every two years, Tehama County CoC performs a Point-in-Time (PIT) Count of all individuals and families experiencing homelessness, including those living on the streets or in other unsheltered situations and those in temporary shelters or transitional living situations.

### REAL COST MEASURE

Unlike the official poverty measure which primarily accounts for the cost of food, the Real Cost Measure incorporates the costs of housing, food, health care, child care, transportation and other basic needs to determine what it really costs to live in California.
